GIVE ME YOUR HAND

by Denis Worlock

A decade of thought, prayer and experience as a bishop is distilled into an unassuming but profundly prophetic book by the Most Reverend Derek Worlock, Archbishop of Liverpool.
This is, in the author's own words, "an attempt to say simply what the Church is all about. It tries to suggest how at various levels clergy, religious and laity can share in the life and ministry of a Church renewed". £3.00.

FORWARD, CHURCH!

Essays in esslesial spirituality by W. Bülmann

These lectures and articles by the author of **The Coming of the Third Church** form a cohesive, wide-ranging, thoughtful whole concerned with attitudes of mind not statistics. Fr. Bühlmann remains undaun by the 'crises' facing the Church and adduces sound theological reasons for his sober optimism. £2.00.
